People are Hong Kong's most important resources. Education upgrades the value of our human assets, and increases the sophistication and competitiveness of Hong Kong as an international city. Without prejudice to gender, race, language and origin, education gives people from every stratum of the community an equal opportunity to compete for success on their ability, motivation and perseverance.

When we are young, many of us tend to abuse our bodies, e.g. overworking, overplaying, overeating, etc., without realising that one day we shall live to regret to have engaged in these over-indulgences.

I think the biggest challenge facing Hong Kong in the 21st century is to nourish a new generation of leaders who are committed to Hong Kong and sensitive to the social and economic environments both in China and around the world. The Sir Edward Youde Memorial Fund has made a significant contribution in preparing our young people for this challenge during the past decade. It promotes the pursuit of excellence in education and research among Hong Kong students and encourages them to commit themselves to serving the community.

今年正藉我們慶祝尤德爵士紀念基金成立十周年，讓我們把握這個良機，回顧過去十年的工作成果。

基金於十周年頒授一百二十四項本地研究生獎學金及本地獎學金、十三項海外獎學金及六百九十二項傑出高中學生紀念獎金，我滿心歡喜與得獎者分享他們的喜悅。

令我感到加倍高興的是，在尤德學者協會的邀請下，參與他們的活動。看到他們在社會中各居其位，並憑著一己的實力為個人及香港的前途作出貢獻，我深信我們應該為協會的成就感到驕傲。

我們能有今天的成就，完全是因為眾多人士的慷慨支持。我們要特別多謝在一九八七年為成立基金而付出心血的人士；我更要特別向第一屆理事會主席張鑑泉先生致敬。

我深深感謝在過去和現在跟我共事的人；他們付出了許多寶貴的時間，為基金信託委員會及理事會服務。我們得以欣慶基金十年以來的發展及成就，實在有賴委員的決心和遠見，當中包括出任基金信託委員會主席達七年時間的利國偉爵士。

我們一直不忘為年青人提供更多新的求學機會，我衷心感謝不斷支持基金的人士，讓我們的理想得以實現。

我希望以往曾獲獎的學者繼續支持我們，並透過尤德學者協會維持緊密聯繫。

我深信只要彼此同心協力，我們在未來十年必能創造更高的成就。

As we celebrate the tenth anniversary of the Sir Edward Youde Memorial Fund, it is good to look back over our first ten years and to think about what we have achieved.

While presenting in the tenth year 124 fellowships and scholarships for local students, 13 for overseas students, and 692 prizes for outstanding school children, I have had the joy of sharing in their happiness.

And now I count myself doubly fortunate in being welcomed into their circle by the graduates of the Sir Edward Youde Scholars Association. Seeing them

taking their places in the community, well qualified to build a good life for themselves and Hong Kong convinces me that we can be proud of what has been accomplished so far.

This has all been made possible by the generous support we have received from very many people. We are particularly indebted to those who worked so hard to set up the Fund in 1987; and here I should like to pay special tribute to our first Chairman of the Council, Mr Stephen Cheong.

I am deeply grateful to my colleagues, past and present, who have devoted long hours to serving on the Board and Council. It is due to the determination and vision of members such as Sir Quo-wei Lee, Chairman of the Board for seven years, that we are able to celebrate ten years of growth and success.

We are constantly alert for new ways of widening educational opportunities for young people, and I send my sincere thanks to everyone who is making this possible by continuing to support the Fund.

I hope that all former scholars and fellows will try to help us in any way they can, and keep in touch through the Sir Edward Youde Scholars Association.

Working together we can look forward with confidence to even greater success in the next ten years.

MESSAGE FROM THE HONOURABLE
RONALD ARCULLI, CHAIRMAN OF SIR
EDWARD YOUDE MEMORIAL FUND
COUNCIL

十年前，尤德爵士基金委員會主席鍾士元爵士提出，各界給予基金的捐贈，其實是出於公眾向這位生前對香港作出彪炳貢獻的港督的尊敬及感激。鍾爵士說：「捐款會用來發展香港教育，包括把學生送到外國留學及參與研究，特別是支持他們修讀一些香港提供不到的課程及科目。」

自此，基金的目標便是向香港的年青人推廣教育與學習。

基金已經運作了十年，事實證明，基金已達到目標。過去一年，總共頒贈了八百五十項獎項，而頒贈給傑出大專生的研究生獎學金及獎學金分別由三十項增至三十五項及由八十項增至九十項。舉辦成功的客席教授計劃也為尤德爵士紀念基金加添特色和擴大了它的涵蓋範圍。

以往研究生獎學金的受惠者在海外完成學業後都會返回香港。他們曾入讀世界上最負盛名的大學。這些年青學者在海外獲取的知識與見聞可說是無價之寶，因為他們當中有很多人現時在本地從事一些最富影響力的行業，從而為香港及中國前途作出貢獻。我們的基金受惠人現時都在政府、法律界、商界、規劃及教育界積極服務。

非常感謝尤德學者協會，由於協會的努力，以往的獎學金得獎者才有機會向香港社會付出他們的關懷與仁愛，並推廣良好的社會風氣。過了只是短短的十年，我們便見到尤德爵士為香港市民提供機會接受專上教育的遠見已經實現。基金過去的成就是輝煌的，而前境更是無可限量。

Ten years ago, Sir S Y Chung, Chairman of the Sir Edward Youde Fund Committee, stated that the endowment would be in honour of Governor Youde to record the gratitude of the community for his dedicated and outstanding service to Hong Kong. "The Fund will be devoted to the furtherance of education in Hong Kong," said Sir S Y Chung, "which will include sending students overseas for study and research, particularly in respect of those courses and subjects not available in Hong Kong."

Thus, the stated objective of the Fund is to encourage and promote education and learning of the young people of Hong Kong. Ten years since

its inception, we now have tangible proof of the success of this mission. This past year has seen the Fund grant over 850 awards as well as increase the number of fellowships and scholarships for outstanding students from local tertiary institutions from 30 to 35 and from 80 to 90 respectively. The successful launching of the Visiting Professorship Scheme has also broadened the parameters and scope of the Sir Edward Youde Memorial Fund.

Former award recipients of fellowships have now returned to Hong Kong from studying abroad at some of the world's most prestigious universities. The knowledge and perspective these young scholars have obtained has been invaluable as many of them are now contributing to the future of Hong Kong and China in some of the territory's most vital professions. We have Fund recipients playing active roles in government, law, commerce, planning and education.

Thanks to the work of the Sir Edward Youde Scholars Association, former award recipients have exhibited a caring and philanthropic philosophy towards Hong Kong society which bodes well for community spirit. After only ten years, we can already see that the vision of Sir Edward Youde to make higher learning accessible to the people of Hong Kong become a reality. While the past is impressive, the future is bright indeed for the mission for which the Fund was established.

尤德學者協會的會員都是以往尤德爵士紀念獎學金及研究生獎學金的得獎者。我們能有機會統籌出版這份十周年紀念特刊，以慶祝尤德爵士紀念基金在香港推廣教育及學習方面取得的成就，實在深感榮幸。

在中華人民共和國香港特別行政區即將成立之際，尤德學者協會將會繼續為尤德學者提供機會，讓他們交流經驗和學習心得，加強他們對香港社會與中國的關懷，和增進他們之間的友誼，以使他們能夠貫徹推廣學術、關心社會、團結一致的三大宗旨。

身為尤德學者，我們從尤德爵士紀念基金受惠良多。為此，我們誠意向基金獻上這份刊物。我要感謝本會名譽贊助人尤德爵士夫人就出版本刊給予我們的鼓勵。我亦謹此向以下為本刊撰文的人士致謝：香港特別行政區行政長官董建華先生、港澳辦公室主任魯平先生、利國偉爵士、李國能議員、夏佳理議員、香港城市大學鄒嘉彥教授、香港大學梁維新教授與及教育統籌司王永平先生。

此外，我希望多謝尤德爵士紀念基金理事會秘書黃偉健先生和秘書處同事給予全力協助，以及香港城市大學出版社社長鄭子器先生為我們提供專業的意見和服務。最後，我要向協會的理事會及執行委員會會員致意，並感謝為基金十周年活動而努力工作的協會工作小組成員。

As an association of past award recipients of the Sir Edward Youde Memorial Scholarships and Fellowships, the Sir Edward Youde Scholars Association is very much honoured for the opportunity to coordinate the production of this tenth anniversary publication for commemorating the achievement of the Sir Edward Youde Memorial Fund in the promotion of education and learning in Hong Kong.

With the establishment of the Hong Kong Special Administrative Region of the People's Republic of China in sight, the Association will continue to serve as a forum for Youde Scholars to share their

experience and learning, to arouse their concern for the Hong Kong society and China, and to build up their friendship, upholding their three aims of Scholarship, Social Awareness and Solidarity.

We wish to dedicate this publication to the Sir Edward Youde Memorial Fund, from which we, Youde Scholars, have all benefited a great deal. I would like to thank our Honorary Patron, Lady Pamela Youde, for all the inspiration behind this work. I am also grateful for the kind words from Mr Tung Chee Hwa, Chief Executive of the HKSAR, Director Lu Ping of Hong Kong and Macao Affairs Office, Sir Quo-wei Lee, the Honourable Mr Andrew K N Li, QC, the Honourable Mr Ronald Arculli, Professor Benjamin T'sou of City University of Hong Kong, Professor Leung Wai Sun of the University of Hong Kong, and the Secretary for Education and Manpower, Mr J W P Wong.

Additionally, I would like to thank the unfailing assistance of Mr Alfred Wong, Secretary of the Sir Edward Youde Memorial Fund Council and his staff, and the professional advice and service from Mr Patrick Kwong, Director of the City University of Hong Kong Press. Last but not least, I wish to thank the support of my fellow Council and Executive Committee members of the Association as well as the hard work of the Association's working group on the tenth anniversary of the Fund.

尤德爵士

致力推廣教育發展

回顧香港總督尤德爵士的一生，他傑出的外交事業，與及為香港市民提供專上教育方面的出色表現，尤其獲得讚譽。外交方面，尤德爵士曾在中國及香港等地出任多個要職；教育方面，他堅定不移肯定教育的價值。自一九八二年五月二十日尤德爵士繼麥理浩爵士成為香港第二十六任總督起，他便一直努力不懈地致力改善香港市民的福利和地位。

Passionately committed to education

When one looks at the life and times of former Hong Kong Governor Sir Edward Youde, it comes as little surprise to find that he distinguished himself both in the field of foreign affairs as well as in helping to make the pursuit of higher education accessible to the citizens of Hong Kong. Sir Edward Youde's career is notable for not only his numerous foreign postings, particularly in China and Hong Kong, but also for his unyielding belief in the value of education. Upon being named to succeed Sir Murray Maclehoze as the 26th Governor of Hong Kong on May 20, 1982, Sir Edward exhibited a tireless dedication to improving the welfare and existence of Hong Kong's population.

As Hong Kong Governor and links to Asia

With over 30 years of experience in foreign service, including ten years in China, Sir Edward Youde was one of the most uniquely qualified of Hong Kong's 29 governors to serve the territory. Not only was Sir Edward a graduate of London University's School of Oriental and African Studies, he also spoke and read Chinese, a fact which obviously endeared Sir Edward to a broad spectrum of Hong Kong citizens. However, it was Sir Edward's pragmatic nature and profound understanding of both Hong Kong and China's history and culture which enabled him to become one of the territory's most popular governors.

As a former Ambassador to Beijing, Sir Edward had already established his sensitivity and co-operation with the mainland government, a trait which would serve him well as he embarked on one of the most ambitious and historical chapters in Hong Kong history, the signing of the Joint Declaration between China and the United Kingdom.

與亞洲建立連繫

尤德爵士有三十多年的外交經驗，其中在中國工作達十載，使他具備優厚條件，成為香港歷來二十九位總督之一，為香港服務。尤德爵士畢業於倫敦大學東方及非洲研究院，能說流利的中文，所以特別獲香港市民擁戴。不過，他能夠成為香港最受歡迎的總督之一，是因為他的務實態度和他對香港及中國的歷史與文化有深厚的認識。

尤德爵士早於出任英國駐北京大使時，已建立他對中國政府的認識和雙方的合作關係。這些特點有利他日後展開香港歷史上最富挑戰性和歷史性的一章時應付裕如，順利促成中英雙方簽署聯合聲明。

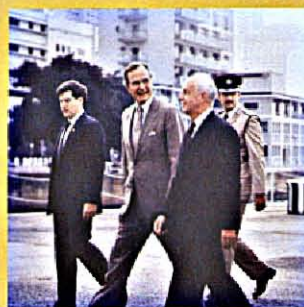

對香港教育的貢獻

當尤德爵士在一九八二年出任香港第二十六任總督時，本地提供的專上教育機會甚少。當時只有百分之二的香港中學畢業生能夠升讀本地的專上學院。由於本地設施不足及缺乏高質素教育，以致一些成績優異的學生惟有選擇往海外升學，而且還要視乎家庭環境是否能夠負擔。對大部分香港中學畢業生來說，繼續在港升學並不容易。

Contribution to Hong Kong education

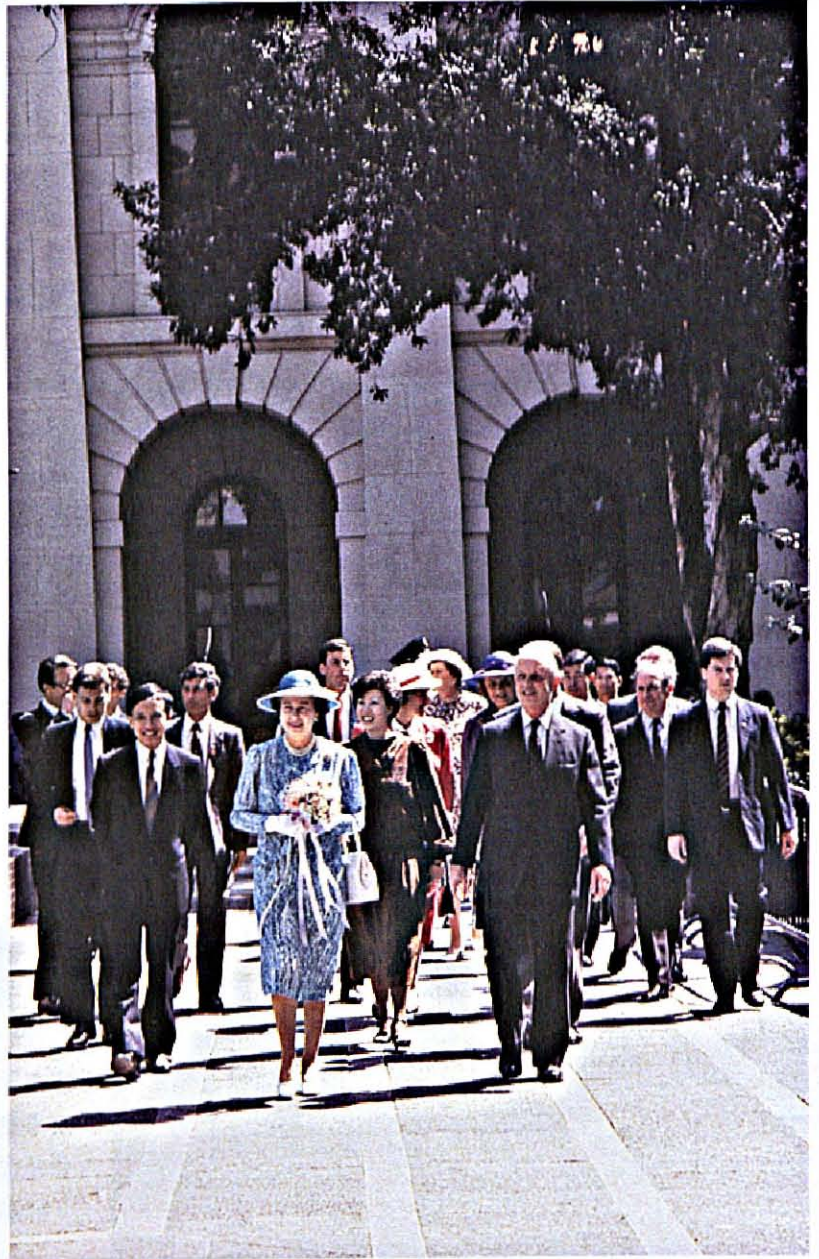

When Sir Edward became the 26th Governor of Hong Kong in 1982, there was a staggering dearth of tertiary education opportunities available to the territory's post-secondary students. The tertiary institutions in Hong Kong were able to accommodate less than 2% of Hong Kong's secondary school graduates. This lack of facilities and quality education meant that the best and brightest of Hong Kong's students were forced to go overseas in order to study at a higher level, if they were lucky enough to come from a household which could afford it. For the overwhelming majority of Hong Kong's secondary school graduates, a higher education was not a viable option.

The priority that Sir Edward Youde placed on education, particularly the ability for students to complete a Degree Programme in Hong Kong, eventually bore fruit. By 1996, a total of 18% of secondary school graduates could study in Hong Kong tertiary institutions. There are many reasons for the momentous increase. However, one of the principle factors is the dogged effort of Sir Edward Youde. During Sir Edward's years as governor, he oversaw the opening of the City Polytechnic of Hong Kong (now the City University of Hong Kong) in 1984 and was the motivating force behind the establishment of the Hong Kong University of Science and Technology.

尤德爵士重點推廣教育，希望每個學生都有機會在本地修畢學位課程。他的努力終於有了成果。在一九九六年，香港共有百分之十八的中學畢業生可升讀本地的專上學院。在近十年內大幅提升專上學位，當然原因眾多，但其中一個主因，正是尤德爵士鍥而不捨的努力。在尤德爵士出任港督期間，香港城市理工學院（現稱香港城市大學）在一九八四年正式成立；而策劃成立香港科技大學的工作，更是在他的推動下全面進行的。

ESTABLISHMENT OF THE SIR EDWARD
YOUDE MEMORIAL FUND

一九八六年十二月十六日，行政局建議及當時的署理港督頒令，宣佈正式成立尤德爵士紀念基金。隨後，有關條例在一九八七年四月一日正式生效。

根據這項條例，尤德爵士紀念基金信託委員會及尤德爵士紀念基金理事會正式成立，基金得以惠及香港數以百計的勤奮學者。基金藉著向香港市民提供計息或免息的資助及貸款，以期達到以下目標：

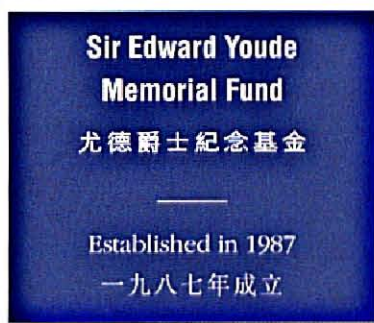

- 在香港及海外推廣教育，鼓勵學習和研究工作；
- 在香港的專上學院推廣教育，鼓勵學習和研究工作。

On December 16, 1986, the Executive Council advised and the Acting Governor ordered, inter alia, that the Government should announce the setting up of Sir Edward Youde Memorial Fund and subsequently an enabling ordinance was enacted and came into operation on April 1, 1987.

With this ordinance, and also with the formation of the Board of Trustees of the Sir Edward Youde Memorial Fund and the Sir Edward Youde Memorial Fund Council, a Fund was born that would benefit hundreds of diligent Hong Kong scholars. The stated purpose of the Fund was to provide for and encourage the education or learning of, or research by the people of Hong Kong and in particular for making grants and loans with or without interest:

- for the furtherance of education, learning or research within or without Hong Kong;
- to educational institutions within Hong Kong for the furtherance of education, learning or research.

Ten years and counting, the Fund continues to honour academic achievements.

十年成就、放眼將來。基金繼續為表揚學術成就而努力。

Over the last decade the Sir Edward Youde Memorial Fund has been busy annually awarding fellowships and scholarships to worthy recipients. The style and times may change but the enduring efforts of the Fund to recognize and promote academic excellence remains clearly focused.

過去十年，尤德爵士紀念基金每年都頒贈獎學金予實至名歸的得獎者。儘管每次獎學金頒授典禮風格各有不同，但是基金致力表揚及推廣卓越學術的堅定目標是不容置疑的。

為紀念一直為教育盡心工作的尤德爵士，根據尤德爵士紀念基金條例，尤德爵士紀念基金在一九八七年四月正式成立，旨在利用公眾捐款推廣教育和鼓勵研究工作。

基金的投資由基金信託委員會負責，基金理事會則負責基金收入的運用。理事會在過去設立了六項獎學金，以表揚本港中學及專上學院具有優異學業成績和領導才能的學生。六項獎學金分別為：

- 海外研究生獎學金及海外獎學金（包括傷殘學生）
- 本地研究生獎學金及本地獎學金
- 傷殘學生紀念獎
- 傑出高中學生紀念獎金
- 公開考試成績優異生紀念獎
- 大專院校客席教授計劃

尤德爵士紀念基金為眾多香港學生帶來寶貴的經濟資助。以一九九五至九六年度為例，頒贈的獎學金總額達港幣一千一百九十三萬九百四十七萬元；獲頒贈海外研究生獎學金及海外獎學金的研究生及本科生達十四人，其中包括一名傷殘學生；四十四名研究生獲頒贈本地研究生獎學金；八十二名本科生、文憑及證書課程學生獲頒贈本地獎學金；三人獲頒贈公開考試成績優異生紀念獎；分別來自大學、中學及專上學院的二十二名學生獲頒贈傷殘學生紀念獎；獲就讀中學提名的傑出高中學生共六百八十二人。

In honour of the tireless commitment of Sir Edward Youde to education, the Sir Edward Youde Memorial Fund was established in April 1987 under the Sir Edward Youde Memorial Fund Ordinance to manage public donations made in memory of the late Governor. To honour the spirit of the man the Fund is named after, the primary goal of the Sir Edward Youde Memorial Fund was to promote education and encourage research.

The investment of the Fund was dealt with by the Board of Trustees and the application of its income by the Council. Six major award schemes are administered by the Council for secondary and tertiary students in Hong Kong in recognition of their academic achievement and leadership qualities. They are:

- Fellowships and Scholarships for Overseas Studies (including disabled students);
- Fellowships and Scholarships for Local Studies;
- Awards for Disabled Students;
- Prizes for Outstanding Senior Secondary Students;
- Medals for Best Performers at Public Examinations;
- Visiting Professorship Scheme.

The Sir Edward Youde Memorial Fund has been an invaluable resource for a diverse group of Hong Kong students. For instance, in 1995-96 a total of HK\$11.93 million was spent on the six award schemes. 14 students, including one disabled student, were awarded fellowships or scholarships for postgraduate or undergraduate study overseas. Locally, 44 postgraduate research students were awarded fellowships and 82 undergraduate, diploma or certificate students scholarships. Awards were also made to 3 students who performed best in public examinations, 22 disabled students at tertiary, secondary and post-secondary levels as well as 682 outstanding senior secondary students nominated by their schools.

一九九四年六月，理事會推出一項新計劃，名為「大專院校客席教授計劃」，目的是推廣香港的學術與研究工作。這項客席教授計劃旨在吸引著名學者參加，並在他們揀選的香港專上學院及公開論壇授課。

The Council also decided in June 1994 to launch a new "Visiting Professorship Scheme for Local Tertiary Institutions" with a view to promoting educational and cultural exchanges as well as enhancing the stature of Hong Kong's academic and research pursuits. The Visiting Professorship Scheme is attracting a number of distinguished academics whose posting includes giving lectures both at their chosen Hong Kong tertiary institution as well as free public forums.

獲尤德爵士紀念基金頒發獎項，誠然，是值得感到自豪及光榮的。可是，獲獎的光榮是短暫的；當一群年青活躍的學者完成學業後，他們的去向又如何呢？對於一般獎學金獲獎者來說，加入他們專長的行業是理所當然的。尤德爵士紀念基金的受惠者也不例外，而且他們更有多一項選擇。他們能夠有機會幫助尤德爵士紀念基金發展，並為香港社會的進步而努力。

在尤德爵士夫人及首任基金理事會主席已故張鑑泉議員積極支持和鼓勵下，一群充滿熱誠的年青學者，早於一九九零年已有意為尤德爵士紀念獎學金的得獎者成立協會。一九九二年三月，尤德爵士獎學基金學者協會正式創立，並獲得尤德爵士夫人成為協會的名譽贊助人。協會其後定名為尤德學者協會。

尤德學者協會的三大宗旨為：推廣學術、關心社會、團結一致。這三項宗旨雖然範圍甚廣，卻正好代表協會決意積極提倡學術風氣，推動服務香港社會的精神，以及鼓勵學者彼此聯繫，加深認識。尤德學者協會是根據社團條例的規定而成立的獨立組織，與尤德爵士紀念基金理事會定時保持聯繫。

SIR EDWARD YOUDE SCHOLARS ASSOCIATION
尤 德 學 者 協 會

For those who were fortunate enough to be a recipient of the Sir Edward Youde Memorial Fund, the opportunities were obvious. However, a scholarship, while affording one the benefits of a lifetime, is usually brief in duration.

So what does a group of young active scholars do once their studies are over? Naturally, the professional world beckons. But for those who were recipients of the Sir Edward Youde Memorial Fund, there were other options. An opportunity was found which afforded these scholars a chance to not only help the Sir Edward Youde Memorial Fund flourish but also help to aid the community of Hong Kong.

With the active support of Lady Pamela Youde and the encouragement of the late Honourable Stephen Cheong, former Fund Council Chairman, the idea of setting up an association among recipients of the Fellowships and Scholarships came into the mind of a group of young and active scholars in 1990. In March 1992, with Lady Youde as Honorary Patron, the Association of the Fellows and Scholars of the Sir Edward Youde Memorial Fund was officially formed and later renamed Sir Edward Youde Scholars Association.

The stated goals and objectives of the Association are three-fold: the promotion of Scholarship, Social Awareness and Solidarity among its members. While these objectives may seem general in scope, the Three-S mission summarizes the Association's wish to promote learning and education, to promote the spirit of service to the Hong Kong community and to maintain and foster the bonds and friendship among scholars and fellows. Independently formed, the Association has complied with the requirements of the Societies Ordinance and keeps regular liaison with the Sir Edward Youde Memorial Fund Council.

As an expert in the field of Ancient Ceramics Dating, Po-lau is currently an Assistant Professor at the City University of Hong Kong and was instrumental in establishing the Thermoluminescence Laboratory of Ancient Ceramics Dating there.

梁寶鏞獲獎時比大多數獲獎者都年長，可是他獲獎和參與尤德學者協會並未受他的年齡影響。他說：「全靠獎學金給我的經濟援助及支持，使我能夠心無旁騖地進行研究。雖然年紀比較大，但仍然保持著創新的精神。」

Like so many of the recipients of the Sir Edward Youde Memorial Fund, Sarah found that not only did the award alleviate financial concerns over her education, it also gave her confidence and encouragement necessary to excel at academics. As one of the younger members of the Association, Sarah has found that "it has extended an avenue for me to meet and know more outstanding past and present recipients from whom I can learn a great deal."

As a young business proprietor, Betty feels that the award has given her a drive to succeed. "To a certain extent, I believe I have benefited from the positive effect of self-fulfilling prophecy," said Betty. "While I was expected to excel in my areas, I did work harder to live up to these expectations. I learned to be grateful as I received favours from society and to me thankfulness is a virtue to treasure."

Betty feels that being a scholarship awardee has obviously helped her land jobs in major organizations, like Hong Kong Telecom, the Stock Exchange of Hong Kong and the Securities and Futures Commission. An entrepreneur, Betty has been Managing Director of her own China trade business since 1992.

麥順嫻覺得獲獎對於她受聘於大型機構是有幫助的，例如，她曾任職於香港電訊、香港聯合交易所、及證券及期貨事務監察委員會。一九九二年，她創立了自己的公司，從事中國貿易工作。

Year received award : 1992
Age : 23
Post secondary institution : London School of Economics and Political Science

Although Elizabeth's professional career is just beginning, she is grateful for the opportunity that the Sir Edward Youde Memorial Scholarship gave her to study in London. "There is no replacing the value of interaction with students from different countries," said Elizabeth. "It has helped me develop a more global perspective."

FUND CONTINUES TO PLAY KEY ROLE IN
COMMUNITY

尤德爵士紀念基金的特點是覆蓋面甚廣，得獎者來自不同的學術領域，信託基金增長健康，並在教育方面不斷發揮其積極作用，惠及本地學子和社會，獲得知名人士的支持。在過去十年，基金累積了極寶貴的經驗。

基金一個成功之處，是不僅讓中學生受惠，而且更惠及傷殘學生以及不同年齡的學者。基金得獎者有機會於世界頂尖的學府接受教育，而且他們修讀的學科極之多樣化，包括醫學、法律、教育、商科、社會服務及公共服務等。

透過有關人士精明的投資以及慷慨的捐款，基金資源有大幅的增長。基金現時的市值達到港幣一億六千一百萬元，比最初籌得的捐款總額增加了百分之九十二。自基金成立以來，頒授的獎學金總額達港幣五千六百萬元，而得獎人數由十年前的每年五百四十人增至八百五十六人。

Among the many assets of the Sir Edward Youde Memorial Fund are its unique coverage, the diverse and eclectic disciplines of its award recipients, the unprecedented growth of the Trust Fund, continuing significance of the Fund, local nature of the venture, support from prominent patrons and the experience garnered over the past ten years.

The ability to address not only secondary school students, but also disabled students as well as scholars both young and old, remains a vital component to the success of the Fund. Proud to boast graduates from some of the world's top tertiary institutions, the scope of the Fund's recipients encompass a diverse litany of disciplines ranging from medicine, law and education to business, social service and public service.

Through shrewd investments and generous donations, the monetary value and resources of the fund have grown dramatically. The market value of the Fund now stands at HK\$161 million and has grown by 92% from the original donations. Over the period since its establishment the Fund has granted more than HK\$56 million in awards and has seen the number of recipients per year reach 856 from a figure ten years ago of 540.

除了以上的增長外，尤德爵士紀念基金還在其他方面贏得人們的信任與尊崇。這些成就歸功於基金信託委員會和基金理事會精明的管理與及基金得獎者的努力、仁厚和成就。公眾人士對基金過去成就的讚揚，不但肯定了基金的社會地位，更推動基金繼續竭誠為社會服務。

經過十年的運作，尤德爵士紀念基金能夠發揮的力量日益壯大。基金總額日益增長，受惠人數不斷增加，獎學金項目亦每年遞增。基金竭誠為本地服務的精神，還有尤德夫人與及香港商界全力的支持，均為基金的繼續發展奠定了良好而穩固的基礎，在未來保持優良傳統、創建更美好的社會。

Yet, the impressive financial numbers hardly tell the whole story. Because of the astute management of the Board of Trustees and the Council, and because of the diligence, charity and achievements of fund recipients, there is a great deal of trust and prestige now attached to the Sir Edward Youde Memorial Fund. The general public's recognition of the past achievements of the Fund has been one of the main catalysts for a growing momentum which has only heightened the importance of the Fund.

As the Sir Edward Youde Memorial Fund reflects on a decade of operation, it finds itself in the enviable position of moving from strength to strength. The growth in terms of finances, beneficiaries and categories of awards, as well as the local nature of the venture and the unabashed support of Lady Youde and Hong Kong's commerce community, have ensured the Fund of continued prosperity as it defines and fulfils its role and obligations of making the territory a better, caring and more prosperous place to live.

為了達到向香港的年青人推廣教育及鼓勵學習的目標，尤德爵士紀念基金理事會積極處理六項主要獎學金的有關事宜。基金理事會每年在收到本港各大院校提交的本地獎學金提名名單，以及海外獎學金的申請後，便會開始進行多輪的評審工作。每年的頒獎典禮於三月間在港舉行，由尤德爵士夫人、基金理事會及基金信託委員會主席主禮。基金理事會可說是對香港教育最具影響力的獎學金機構之一，而六項獎學金，包括在一九九六年成立的客席教授計劃，均以迅速的步伐發展。

在過去九年，三十九人及四十五人曾分別獲頒贈尤德爵士海外研究生獎學金及海外獎學金，其中二人是傷殘學生。一九九六年，在大約三百份申請當中，共有十三名傑出學生獲挑選接受上述海外獎學金。這些學生都為此感到驕傲，他們都如以往的海外獎學金得獎者一樣，達到極高的學術水平；這批學生當中部分更晉身世界一流學府，例如耶魯、牛津和劍橋等。

每年，基金理事會都為這些得獎者舉行歡送會。

在過去十年，基金多項研究獎學金及獎學金曾惠及八百八十五名專上學生，同時，

In pursuing its objective of encouraging and promoting education and learning for the young people of Hong Kong, the Council of the Sir Edward Youde Memorial Fund has dutifully administered over its six major award schemes. Upon receiving nominations from various local tertiary institutions for the local awards and applications from individuals for the overseas awards, rounds of selection process are administered by the Fund Council. This is followed by an annual award presentation ceremony officiated by Lady Youde and the Chairmen of the Fund Council and the Board of Trustees, held around March in Hong Kong. As one of the most influential and beneficial contributors to Hong Kong education, the Council has seen unprecedented growth in all six areas as well as the formation in 1996 of the Visiting Professorship Scheme.

The Sir Edward Youde Memorial Fellowships and Scholarships for Overseas Studies has seen a total of 39 fellowships and 45 scholarships, including two for disabled students, granted during the past 9 years. In 1996, a total of 13 exceptional students were selected from a field of about 300 applications for the overseas awards. And while these students should feel justly proud, the legacy they inherit from previous winners of the overseas study awards has set a high standard indeed. Some of the most prestigious universities in the world, Yale, Oxford and Cambridge among them have featured past recipients of the Fund.

A sending-off party hosted by the Fund Council is organized each year for these winners.

Over the past ten years a total of 885 tertiary students have benefited from Fellowships and Scholarships awarded by the Fund, not to mention the

這些得獎者就讀的學院，也因為他們的獲獎而受益。

一九八八至八九年度，傷殘學生紀念獎成立，受惠的高中、專上及大學學生共七十三人。目前來說，得獎人數最多的獎項就是傑出高中學生紀念獎金；共有五千三百二十三名學業優異和具有領導才能的學生曾受惠。

公開考試成績優異生紀念獎的目的是表揚在香港中學會考及香港高級程度會考取得傑出成績的學生。要獲頒贈這個獎項並非易事；一九九六年，只有三名學生獲獎，可見獲頒這個獎項的確是殊榮。

一九九六年，基金成功推行一項首次為本地大專院校而設的客席教授計劃，目的是推廣香港及海外之間的教育與文化交流，和推廣香港在研究及發展方面的形象。美國Rockefeller大學Laboratory Plant Molecular Biology的主持人蔡南海教授獲香港大學提名，並獲頒客席教授計劃獎項。尤德爵士紀念基金理事會現已落實，每年頒授兩個客席教授名銜，文科及理科各一個。

benefits that their chosen Hong Kong institutions have gained through their earnest application of scholarship.

Established in 1988/89, the Fund scheme for disabled students at senior secondary, post-secondary and tertiary levels has seen a total of 73 recipients benefiting from this award. By far the largest area of the Fund to impact Hong Kong has been the prizes awarded for outstanding secondary school students who perform well both in their academic studies and extra-curricular activities. A whopping total of 5,323 Hong Kong students have received prizes in this category.

Almost an exclusive fraternity, the Sir Edward Youde Memorial Medal is a Fund scheme which gives due recognition to first class academic achievements in the Hong Kong Certificate of Education Examination and the Hong Kong Advanced Level Examination. As a testament to the prestige of these medals, only 3 outstanding students were granted these awards in 1996.

1996 saw the successful launching of a new scheme, the Visiting Professorship Scheme, with the stated aim of promoting education and cultural exchange between Hong Kong and overseas countries as well as enhancing Hong Kong's image in the research and developmental context. Professor CHUA Nam-hai, Head of Laboratory Plant Molecular Biology, Rockefeller University, USA, was nominated by the University of Hong Kong and awarded the visiting professorship. The Council of the Sir Edward Youde Memorial Fund has now decided to expand the scheme by offering two visiting professorships, one for the Science Stream and the other for the Arts Stream.

尤德爵士紀念基金的得獎者心存感激之餘，更充滿摯誠，希望為香港的發展和幸福而努力。尤德學者協會的成員只有憑着這份對香港社會的使命感，才配稱為香港最傑出的青年。為了達成三大宗旨——推廣學術、團結一致、關心社會——協會經常舉辦活動維繫會員，促進友誼，藉以推廣教育及鼓勵學習，推廣服務香港的精神，以及促進會員的聯系。

協會活動最顯著的特點，是會員對社會的關懷和他們的公民責任感。協會多次主辦志願活動，到醫院、傷殘人士中心及越南難民營探訪，向有需要人士施以援手。此外，又定期出版「社會服務之聲」刊物，藉此鼓勵會員加倍關心社會事務。協會會員建立了友善的聯系，並強調回饋社會的精神，讓彼此加以思考生命意義。在一九八八年獲頒海外研究生獎學金前赴牛津進

As grateful recipients of the Sir Edward Youde Memorial Fund awards, a number of Youde scholars have come to realize that they have a fiduciary interest towards the development and well being of Hong Kong. Simply put, the members of the Sir Edward Youde Scholars Association would not be labelled the best and brightest of Hong Kong's young people if they lacked a social commitment to the territory. With a stated objective of promoting scholarship, social awareness and solidarity among its members, the Association aims to promote learning and education, to promote the spirit of service to the Hong Kong community and to maintain and foster the bonds and friendship among scholars and fellows. Towards that end, the Sir Edward Youde Scholars Association has undertaken a number of activities.

Paramount among the Association's activities has been their social concern and sense of civic duty. Reaching out to the needy in hospitals, disabled centres and Vietnamese camps through visits and voluntary programmes, the Association also articulates their message of greater social awareness by publishing the Social Service Voice Periodical for members. The fraternal order of the Association, and their emphasis on putting something back into the community, also allows members the ability of reflect upon their priorities

一九九三年二月協會主辦「香港教育制度」學術研討會，邀請了鄧嘉彥教授、范徐麗泰女士及程介明博士主講（左四、五、六）。

修的石永泰說：「在這個年代，我們的社會傾向以一個人擁有多少物業和他的物業每呎值多少錢來衡量他的成功，而不考慮他的能力（例如智能）；能夠獲獎以及成為協會會員實在使我深感驕傲，因為每個會員都有極強的社會責任感。」

自協會在一九九二年三月成立以來，為加強會員的聯繫，協會經常舉辦茶敘、康樂節目、聖誕聯歡等活動。可是，單是聯歡並不能把會員團結起來。能夠把會員凝聚在一起的，是他們全力服務香港社會、建設香港未來的崇高理想。

學術方面，協會曾主辦教育研討會，邀請知名人士主講，從而讓會員互相交流富建設性的建議和見解。年前協會分別主辦北京、上海、山東及台灣學術交流團，獲得兩地政府部門及多家機構的全力支持，讓

in life. "In this day and age when society tends to measure a person's success by the number of properties he owns and the price per square foot of those properties," said Paul Shieh, 1988 winner for overseas fellowship to study at Oxford, "and not by reference to ability (intellectual or otherwise), being continuously associated with the award as well as with an Association where members pay heed to their social conscience, does indeed instil a sense of pride in me."

In an attempt to build a strong network among members when the Association was initially founded in March 1992, there have been a number of tea gatherings, recreational functions, monthly casual dinners and Christmas parties organized in order to foster solidarity among members. But solidarity and membership would be insignificant if members were not united in their purpose of not only aiding a prosperous and inclusive future for Hong Kong, but also shaping that future ideal.

Academically, a number of education forums have been chaired by public figures and allow Association members the opportunity to exchange constructive ideas and opinions with one another. Cultural and academic

exchanges have figured very prominently in the Association's efforts to enrich and broaden their members' scope. Generously supported by government bodies and various institutions, the study tours to Beijing, Shanghai, Shandong and Taiwan have succeeded in allowing young professionals to come to understand and respect one another's aspirations through a number of official visits and discussions.

The culmination and highlight of the Association's annual activities is the Annual Dinner, which is attended by Lady Youde and a host of honorary advisers, distinguished guests and local dignitaries as well as Association members. Since its formation in 1992, the Sir Edward Youde Scholars Association has been extremely active while growing considerably. If the present and near past is any indication, the Sir Edward Youde Scholars Association looks to be a guiding light and pivotal force for Hong Kong in both the educational and social sectors.

長久以來，香港一直都在培養學養俱備並能晉身世界各地專上學府就讀的學生。這些學生都學有所成，其中不少，成為當地傑出的學者或專業人士。自八十年代開始，香港吸引了不少留學海外的學者及專業人士回港，亦為本地學生增加了大量深造機會。

在這個發展香港教育及經

濟的關鍵時刻，尤德爵士紀念基金擔當了一個重要角色，致力推廣追求卓越的學術。自尤德爵士紀念基金理事會成立以來，我很榮幸一直參與申請人的選拔工作。如同其他理事會成員一樣，得以參與評審香港學界精英的獎學金申請工作，自始令我欣然引以為榮。唯一的遺憾是始終要受資源所限，難免有遺珠之感，正因為他們與北美洲、澳洲、歐洲、中國內地及其他亞洲地區精英不相伯仲。

過去十年，已有很多基金受惠者學成之後在社會上投身各種不同的工作崗位，並為其他年青人樹立成功的榜樣。同時，由於普及教育的推廣，本地優秀學生的社會及經濟背景日益廣闊，包括近年由中國內地來港迅速適應新環境的優秀學子。能方便那麼多不同背景的人接受專上教育，是一種可喜的現象。這當中，曾有得獎人並不領取獎學金而只是為了獲取得獎的名銜和

Hong Kong has long had a history of providing some of the finest and most ingenious of students to tertiary institutions in many parts of the world, where large numbers have remained and become successful academics and professionals. Since the 1980's the territory has been able to attract many of these scholars and professionals back to Hong Kong, and to expand educational opportunities for the young people here.

The Sir Edward Youde Memorial Fund has played a major role in promoting scholastic excellence during

a critical expansion phase in Hong Kong education and Hong Kong economy. I have been privileged to be a part of the selection process since the beginning of the Fund Council and I have always found it to be a joy and source of pride, as has been the case with other members, to review the applications from the impressive cream of the student body in Hong Kong who have compared very favourably with the *creme de la creme* of students to be found in North America, Australia, Europe and China as well as other parts of Asia. The only regret has always come from the limitation on resources available to the Fund to support all those who were deserving of an award.

Over the last ten years many beneficiaries from the Fund, and therefore from Hong Kong society, have been transformed into contributors to society by serving it in varying capacities and have become successful role models for other young people. At the same time, it has been encouraging to witness changes in the composition of the top students, for, in line with the development of mass education, they have come increasingly from a broadening socio-economic background, including successful recent arrivals from Mainland China. There have been instances of an award recipient declining the monetary support but retaining the honour, and others who

殊榮，也另有得獎人若非獎學金資助，根本不能前往外地，或中國內地進修。

香港的經濟模式已由製造業為主轉變為以服務業為主。香港若要在九九七年政治過渡期以後長期繼續享有充滿幹勁的將來，一定要由依賴吸收外來知識和專業技能進而演變為新知識的創造者。這不單適用在科技領域，而且在香港特別行政區與中國大陸一體現史無前例的一國兩制構想下，為了探索將來人生及社會的新境界，也要依循這個路向。尤德爵士紀念基金是一個紮根於香港、為香港服務的獨特機構。身處此時此地，基金將繼續擔當這個重要的角色——幫助香港的年青人。而且由於其它獎學金已見縮減，基金的使命也更形重要了。

讓我們衷心祝賀尤德學者協會出版這份刊物。隨著協會會員的增長，以出色的表現晉身社會領導階層，各界必將更為肯定尤德爵士紀念基金對香港社會發揮的效益，因為基金不僅對香港，而且會對全中國做出宏大的貢獻。

協會不但了解品學兼優之理，並深明取諸社會，還諸社會之大義，本人能有機會盡一己之力參與運作，深感為榮。祈願基金與協會前程無量，層樓更上。

would not have been able to pursue educational opportunities overseas or in Mainland China without an award.

Hong Kong's economy has changed from a primarily manufacturing base to a service base with ever mounting sophistication in requirements. For Hong Kong to continue with its robust future well beyond the political transition in 1997, it must change from being mere consumers of imported knowledge who rely on external expertise to produce indigenous creators of new knowledge and cultivators of local expertise. This should be the case not only in technology but in the search for new paradigms of well-being as the Hong Kong Special Administrative Region and China, necessarily together, implement the innovative One-Country-Two-System Concept. Under the scheme, the Fund, a unique organization rooted in Hong Kong, and in the service of Hong Kong, will continue to play an important role in helping the young people of Hong Kong. The Fund's role and responsibilities will necessarily expand because of the diminishing availability of other scholarship schemes.

The Sir Edward Youde Scholars Association should be congratulated for organizing this publication. As its membership expands and as it matures rapidly into the promised leadership of society, the impact of the Fund on society will be even more clearly appreciated in the 21st Century because its significant contributions will be not only to Hong Kong, but also to China.

It gives me great honour to be associated with an Association which understands not only to the need to excel and contribute, but also the responsibility of giving back to the community. The Fund and the Association both deserve all our best wishes for a bright future.
